Hospitality Information

VENUE	
Capacity	Standing audience : 160 persons (comfortable) -180 guests (crowdy) Seated at high and low tables : 50 persons Seated with limited high tables : 70 persons
Backstage	Personal belongings and instrument cases can be stored behind the stage in the technical room – this can also be used to dress/undress/make-up. A larger backstage area (in the basement) can be booked in advance. No shower/washing facilities available.
Merch Stand	Each band/artist can sell own merch and music. No payment possible through our cash system. However public can withdraw cash money from us to pay cash for merch & music to you. Or bring your own payment solution(s) (Payconiq or other) Merch can be sold in the public area or from behind our counter at the entrance (when the venue is soldout this is better to save space in the main area)
Volume	Limitations to the maximum sound apply (< 95db Laeq15min), also maximum playing time (hard curfew) for live music is 22.00 hours. Please refer to the additional guidelines for bands & sound engineers with regards to sound levels.
